**A local law entitled “Emergency Access Systems Law.”**

**Be it enacted by the Board of Trustees of the Village of Stillwater, in the County of Saratoga, as follows:**

#### **SECTION 1. Title.**

#### **SECTION 2. Intent.**

The Village of Stillwater has recognized the importance of providing the Village's Emergency Services rapid entry into locked buildings. An Emergency Access Systems local law provides for the placement in secured, locked containers of keys to important areas within a structure and information that may be vital and necessary to the health, safety, and welfare of the occupants and responding emergency crews. The delay in gaining entry can result in substantial property damage, delays in providing lifesaving or other medical procedures, and increased danger for emergency services personnel and the building occupants. To assist the emergency service providers in gaining rapid entry, the Village of Stillwater adopts an Emergency Access Systems local law.
